

NWT - Yellowknife Women's Hockey: This jersey is from the Arctic Winter Games, where athletes try out from all over the North. I was lucky enough to attend four Arctic Winter Games. Although I loved playing boys' hockey, this was my first opportunity to play on all girls teams.

ON - Connor McDavid's York Simcoe Express jersey.

ON - Ancaster Avalanche - Sarah Nurse's jersey.

QC - Marie-Philip Poulin's Montreal Victoire jersey.

THE GREAT CANADIAN JERSEY

AB - MacEwan Griffins, Edmonton: This jersey was worn by the MacEwan University men's hockey team for six season between 2016 - 2023. In this jersey the Griffins won three ACAC Championships.

ON - Zachary: I wore it for a magical season in high school that took us to the finals despite injuries. I still have the trophy with the memories after all these years.
