

NWT - Yellowknife Women's Hockey: This jersey is from the Arctic Winter Games, where athletes try out from all over the North. I was lucky enough to attend four Arctic Winter Games. Although I loved playing boys' hockey, this was my first opportunity to play on all girls teams.

ON - Connor McDavid's York Simcoe Express jersey.

ON - Sarah Nurse's Ancaster Avalanche jersey.

QC - Marie-Philip Poulin's Montreal Victoire jersey.

THE GREAT CANADIAN JERSEY

AB - MacEwan Griffins, Edmonton: This jersey was worn by the MacEwan University men's hockey team for six seasons between 2016 - 2023. In this jersey the Griffins won three ACAC Championships.

ON - Zachary: I wore it for a magical season in high school that took us to the finals despite injuries. I still have the trophy with the memories after all these years.

ON - Lisa: Dedicated on behalf of our goalie Sherry who passed away in June from cancer. We started playing hockey in our 40s as beginners. We gave her the nickname "Shut Out Sherry" because even though we didn't have many shutouts we celebrated them extravagantly when they occurred!
