You are entitled to notice of, to attend, and to vote at the meeting if you were a registered holder of Class A Voting Shares (**Class A Shares**) at the close of business in Toronto, Ontario on March 3, 2026 (subject to the voting restrictions described in the Information Circular). Specific voting instructions are included on the proxy form included with this Notice, which you have received if you are a registered holder of Class A Shares, or the voting instruction form included with this Notice, which you have received if you are a beneficial holder of Class A Shares. If you are a registered holder of Class A Shares or a duly appointed and registered proxyholder and wish to vote at the meeting, please attend the meeting in-person or online.

If you were a registered holder of Class B Non-Voting Shares at the close of business in Toronto, Ontario on March 3, 2026, you are entitled to notice of and to attend the meeting and ask questions, but not to vote at the meeting.

NOTICE-AND-ACCESS

Rogers is using the "notice-and-access" provisions of Canadian securities rules under National Instrument 54-101—"Communication with Beneficial Owners of Securities of a Reporting Issuer" (**NI 54-101**) and National Instrument 51-102—"Continuous Disclosure Obligations" (**NI 51-102**) for distribution of the meeting materials to shareholders. Under notice-and-access, Canadian companies are not required to distribute physical paper copies of certain annual meeting-related materials, such as information circulars and annual financial statements, unless specifically requested. Instead, Canadian companies may post electronic versions of such material on a website for investor access and review and will make paper copies of such documents available upon request. Using notice-and-access directly benefits Rogers through a substantial reduction in both postage and material costs and also helps the environment through a substantial decrease in the amount of paper documents that are ultimately discarded. Shareholders who have already signed up for electronic delivery of shareholder materials will continue to receive them by e-mail. If you have not signed up for electronic delivery and wish to do so, Rogers encourages you to do so as outlined in this meeting notice, if provided to you, or as instructed on the inside front cover of the Information Circular.

VOTING CLASS A SHARES

As a registered holder of Class A Shares you have a number of ways to vote your shares. These are detailed on the proxy form included with this package. Unless you attend and vote at the meeting either in person or online or have duly appointed and registered another person to attend the meeting online on your behalf and vote your shares, as proxyholder, we must receive your completed proxy no later than 2:00 p.m. (Eastern Time) on April 21, 2026.

If you are the beneficial owner of Class A Shares, please see "Beneficial Owners (Non-Registered Holders)" in the Information Circular and the voting instruction form included with this package for voting information.

Please note that to allow online attendance and voting at the meeting, a holder of Class A Shares who appoints a proxyholder, other than the management appointees named on the proxy form or voting instruction form, **MUST ALSO** register such proxyholder with our transfer agent TSX Trust Company after submitting their form of proxy or voting instructions, as further described in the Information Circular. **Failure to register the proxyholder with our transfer agent will result in the proxyholder (i) not receiving a 13-digit proxyholder control number to attend or vote at the meeting online as a proxyholder, and (ii) only being able to attend the meeting online as a guest.**

We also encourage you to review the matters to be voted upon at the meeting as described in the Information Circular at about.rogers.com/investor-relations before voting.
